Courses & Services

First on Scene Training LLC has been providing CPR and First Aid classes in Southern California

since 2001. Over the years we have expanded our services to include classes for Basic Life Support (BLS) and Advanced Life Support (ALS) continuing education (CE).

Our customers include :

- EMT/Paramedics
- County & Cities
- CERT Teams
- Personal Trainers
- Physical Therapist / Dentist
- Boy Scout Troops
- Camp Counselors
- Youth Organizations
- Coaches

Disaster Drills and moulage service.

EMT/Paramedic Continuing Education Units (CE)

First on Scene Training is an approved CE Provider in the State of California. Our classes have been reviewed and approved by the Continuing Education Board for EMS (CECBEMS).

First Aid CPR AED

First on Scene Training is an authorized third party provider of American Red Cross and American Heart Association. We offer classes in First Aid, CPR, AED and CPR for the Professional Rescuer. We are staffed to train Boy Scout Troops and can sign off on First Aid Merit Badges.

Disaster Drill Planning

First on Scene Training will work with your organization to develop a comprehensive disaster drill. Our staff will critique the drill and provide feedback to your staff.

Moulage

First on Scene Training provides realistic victims scenarios for your training and live drills. Ideal for CERT, DART and company drills.

Movie Set Medic

First on Scene Training is available to support filming projects with fully equipped EMT.
